Work shop

- Participated in BUBT Artificial Intelligence Contest 2025
- Participated in the Techathon of the National Innovation Competition 2024.

About Me

- I am a AI Engineer & Researcher in training, skilled in Python, data analysis, and ML model development. I am gaining practical experience through the Enhancing Digital Government & Economy Project (2025), Creative IT Institute's Python with Machine Learning program, and the DIKKHA Project (ICT Division). I have completed several ML projects that strengthened my hands-on problem-solving and research skills.

Education

- Bachelor of Computer Science and Engineering**
International University of Business Agriculture and Technology - IUBAT 05/2022 - Present
Year: 11 semesters of 12 in 2025
- Diploma in Engineering Computer Technology**
Barisal Polytechnic Institute 08/2016 - 06/2019
Passing Year: 2019
- Secondary School Certificate Vocational - SSC(VOC)**
Egarogram Sammilani Secondary School 01/2014 - 02/2016
Department: General Electronics-62
Passing Year: 2016

Experience

- Software Development-(AI) Intern** 02/2026 - 07/2026
AKIJ iBOS
 - Developed AI-powered ERP automation solutions for enterprise workflows.
 - Worked on Leave Management and Movement Application automation systems.
 - Integrated APIs and optimized backend workflows using FastAPI.
 - Built intelligent assistant modules for employee support and HR operations.
 - Contributed to debugging, testing, and deployment of real-world ERP software solutions.
 - Gained hands-on experience in enterprise software development, API integration, and AI-based workflow automation.
- Android Application Developer Intern** 01/2019 - 04/2019
BDtask
Software development company providing internships.
 - Worked on real-world projects to gain hands-on experience with Android Studio, user interface design, and database management.

Certifications

- Certificate OF PARTICIPATION - 'Line Follower Robot' of IUBAT Innovation Competition 2024
- CERTIFICATE OF PARTICIPATION - Microsoft Powerpoint Basics
- Certificate of Completion - Cloud Engineering
- Certificate of Completion - Python with Machine Learning
- CERTIFICATE OF ACHIEVEMENT - BUBT Artificial Intelligence Conquest 2025
- Certificate of Competence - Mobile Game & Application Project
- Certificate of Completion - Python Programming Language
- CERTIFICATE OF PARTICIPATION - Microsoft Powerpoint Basics
- CERTIFICATE OF PARTICIPATION - 'Techathon' of National Innovation Competition 2024 - Technocrats V.2
- Certificate OF RECOGNITION - Python With Machine Learning course
- Python with Machine Learning - Enhancing Digital Government & Economy Project

Key Achievements

Awards at IIC-IUBAT Competitions

- Achieved 2nd Position in Line Following Robot Competition and 3rd Position in Project Shocking at IIC-IUBAT in 2023.

Awards at Skill Competitions 2018

- Achieved 2nd Position in skill competition in Barisal Division and 5th Position in Bangladesh.

Passions

Technology and Development

Enjoys coding and creating mobile applications, exploring new technology trends, and participating in tech forums.
